PART 1 - GENERAL INTRODUCTION

1. About

Mannix College is established and supported by the Catholic Archdiocese of Melbourne to provide a living and learning environment for a community of scholars in which all residents must have a commitment to the common good.

The Mannix College vision is to foster in our community the desire and capacity to make a positive difference in the world.

We place importance on being a welcoming, diverse and inclusive community that:

- values the vision of our founders and our Catholic foundations;
- promotes intellectual enquiry and rigour, a love of learning, and a culture of continuous improvement;
- supports the wellbeing of each student to enjoy a safe and rewarding College experience;
- fosters respectful relationships and lifelong friendships;
- expects personal and professional conduct characterised by fairness and integrity;
- encourages a willingness to serve others and to give back to the community in a spirit of service and gratitude;
- cares about the environment and embraces the principles of ecological sustainability; and
- values the best traditions of the College whilst also adopting an active, progressive and outward-looking approach to residential life.

These values guide the way we live together. All members of the Mannix Community have a mutual responsibility to live and work according to them.

Tolerance, acceptance, and consistent respect for the rights of others are a primary focus, as is the protection of their health, wellbeing, and personal safety for all.

By accepting an offer to take up residency at Mannix College, Residents agree to respect the basic philosophy of Mannix College and agree to comply with the standards, terms and conditions outlined in the Conditions of Residency.

The establishment and maintenance of a strong sense of community requires careful thought and deliberation by all members of the residential community. Questions we ask members of the residential community include:

- How do we identify and clarify the tolerance threshold for Resident behaviour?
- How do we understand the difference between unacceptable behaviour and an unacceptable Resident?

An appropriate answer to these questions might be as simple as “when the behaviour has a negative impact on others.”

Noise

The most common complaint in a communal residential setting is noise. As such, Residents are expected to keep noise to a minimum and to demonstrate courtesy and consideration for others.

Noise that is disruptive to others is prohibited both inside and outside of the College, including the courtyard and surrounding areas. If noise is reasonably deemed to be bothering one person (taking into account the time, place and type of noise) it is too loud. If noise can be clearly heard outside a Resident's room, it is too loud. Residents are expected to respond courteously to requests to reduce noise and to act courteously to any request for a noise reduction.

2. Jurisdiction

These Conditions of Residency apply to Mannix College Residents:

- 2.1. Whilst on Mannix College or Monash University property;
- 2.2. Whilst attending events sanctioned or organised by Mannix College or the Mannix College Student Society (MCSS);

 - d) that the Resident may be accompanied at the meeting by another person who is there to support the Resident's wellbeing in the context of the meeting, subject to the requirements of section 6.11(c) below;
 - e) that if the Resident does not wish to attend the meeting they may choose to provide a written response to the allegations;
 - f) that if the Resident fails to attend the meeting after being given a reasonable opportunity to do so, and fails to provide a written response within five business days of the date of the meeting, the Principal or the Nominated Investigator may decide the Breach based on the material available to them;
 - g) that the Resident may provide to the Principal or the Nominated Investigator any information or material they wish to be considered within five business days of the date of the meeting; and

- h) of a full copy of this section of the Mannix College Conditions of Residency, or instructions regarding how the Resident can access the same.

6.11. At a meeting with the Principal or Nominated Investigator:

- a) The Principal or Nominated Investigator will state the allegation(s) comprising the Breach, and provide an outline of the evidence;
- b) The Resident will be given the opportunity to respond to the allegation(s); and
- c) If the Resident has brought a support person to the meeting:
 - (i) The role of the support person is to observe the meeting and provide support and guidance to the Resident as requested;
 - (ii) The support person does not require advance approval. However, the Principal or Nominated Investigator may refuse permission for a particular person to attend as a support person where they reasonably believe the person is subject to an actual or potential conflict of interest. For the avoidance of doubt, a person will not be permitted to act as a support person if they are a Mannix College staff member, a Resident Advisor, a witness to the investigation of the allegation/s, or are otherwise involved in the incident to which the allegation/s relate; and
 - (iii) The Principal or Nominated Investigator may nominate another staff member to also be present during the meeting.

6.12. Where a Resident is found to have committed a breach of the Residential Community Standards for a Category 2 allegation/s, the Principal or the Nominated Investigator (as applicable) may impose a sanction/s. The sanction/s that may be imposed include but are not limited to:

Restitution	Reimbursement for damage to, or misappropriation of, property.
Loss or restriction of privileges	Limitation or removal for a set period of time of social or personal privileges (eg, withdrawal of approval to bring, keep or consume alcohol on Mannix College premises)
Service to the Mannix College Community	Requirement to complete a certain project to give something back to the Mannix College community and learn something at the same time. Wherever possible, there should be a logical relationship between the breach and the community service assigned.
Formal written warning	A formal written warning will set out the breach and require no further breach of the Residential Community Standards to occur in the future.
Suspension	A Resident may be required to leave the College for a period of time as determined by the College. They are not allowed to return to the College during the suspension or attend authorised Mannix functions or events. Residents will continue to pay residential fees during their suspension period.
Referral to the University-wide	In circumstances where appropriate, Mannix may pass information from the investigation and incident to other relevant parties (including but not limited to the Safer Community Unit, Monash Security, or relevant faculty/s)

discipline system	
Combination of the Above	More than one sanction may be implemented against a resident.

- 6.13. In addition to the sanction/s set out above:
- a) where the Resident previously received a formal written warning for a breach (of any category) – the Principal may evict the Resident from Mannix College by issuing the Resident with a written notice to vacate; and
 - b) where a Resident has received two formal warnings during any previous residency period for a breach (of any category) – the Resident is ineligible to apply for future accommodation at Mannix College (unless the Principal decides to make an exception, based on special circumstances, at their absolute discretion).
- 6.14. A person who has been evicted under section 6.13 (including during a previous residency period) is ineligible to apply for future accommodation at Mannix College and must not attend or visit Mannix College premises or events for any reason.
- 6.15. A Resident may appeal a finding and/or sanction under this section in accordance with section 7.

Serious Breach Procedure (for Category 1 allegations)

- 6.16. Where the Principal determines that the allegation/s fall within Category 1, the allegation/s will be dealt with under the Serious breach procedure.
- 6.17. The Principal at their discretion may determine that the allegation/s should be managed by the Dean of Students & Wellbeing, or may retain responsibility for managing and determining the allegations themselves.
- 6.18. The Principal may decide to refer the investigation of the allegations to designated person/s within:
- a) Mannix College, such as the Dean of Students & Wellbeing; or
 - b) Monash University Security Services; or
 - c) Monash University Safer Community Unit; or
 - d) any other person/s nominated by the Principal to conduct the investigation (hereafter referenced as the '**Nominated Investigator**').

The role of the Nominated Investigator is to make inquiries and obtain evidence and material relevant to the investigation of the allegations. Where a Nominated Investigator is appointed they may produce a report setting out findings and recommendations, but they do not make any decision as to whether a breach has occurred.

- 6.19. At an appropriate stage of the investigation of the allegations, the Principal or the Nominated Investigator (as applicable) will advise the Resident in writing:

- a) that a Breach is being investigated;
- b) of details of the allegations against the Resident (including where and when the conduct is alleged to have taken place and the role the Resident is alleged to have played);
- c) that the Resident will be given an opportunity to respond to the alleged Breach in a meeting that will be held at a specified time and place;
- d) that the Resident may be accompanied at the meeting by another person who is there to support the Resident's wellbeing in the context of the meeting, subject to the requirements of section 6.20(c) below;
- e) that if the Resident does not wish to attend the meeting they may choose to provide a written response to the allegations;
- f) that if the Resident fails to attend the meeting after being given a reasonable opportunity to do so, and fails to provide a written response within five business days of the date of the meeting, the the Principal or the Nominated Investigator may decide the Breach based on the material available to them;
- g) that the Resident may provide to the Principal or the Nominated Investigator any information or material they wish to be considered within five business days of the date of the meeting; and
- h) of a full copy of this section of the Mannix College Conditions of Residency, or instructions regarding how the Resident can access the same.

6.20. At a meeting with the Principal or the Nominated Investigator:

- a) The Principal or the Nominated Investigator will state the allegation(s) comprising the Breach, and provide an outline of the evidence;
- b) The Resident will be given the opportunity to respond to the allegation(s); and
- c) If the Resident has brought a support person to the meeting:
 - i) The role of the support person is to observe the meeting and provide support and guidance to the Resident as requested;
 - ii) The support person does not require advance approval. However, the Principal or the Nominated Investigator may refuse permission for a particular person to attend as a support person where they reasonably believe the person is subject to an actual or potential conflict of interest. For the avoidance of doubt, a person will not be permitted to act as a support person if they are a Mannix College staff member, a Resident Advisor, a witness to the investigation of the allegation/s, or are otherwise involved in the incident to which the allegation/s relate; and
 - iii) The Principal or the Nominated Investigator may nominate another staff member to also be present during the meeting.

- 6.21. Where a Resident is found to have committed a breach of the Residential Community Standards for a Category 1 allegation/s, the Principal or the Nominated Investigator may impose a sanction/s. The sanction/s that may be imposed include but are not limited to:
- a) the sanctions that are available for a Category 2 breach; and/or
 - b) eviction, in which case the Principal will issue the Resident a written notice to vacate.
- 6.22. Where the allegations fall within items (a) - (n) of Category 1, a presumption that the Resident will be evicted applies. This presumption can be overridden at the absolute discretion of the Principal where there is compelling material to show that eviction would be an inappropriate outcome in the circumstances.
- 6.23. A person who has been evicted under section 6.21 (including during a previous residency period) is ineligible to apply for future accommodation at Mannix College and must not attend or visit any Mannix College premises or events for any reason.
- 6.24. A Resident may appeal a finding and/or sanction imposed by the Principal under this section, in accordance with section 7.

7. Appeal (of a decision following a finding of breach of Conditions of Residency)

- 7.1. This section sets out a Resident's right of appeal in relation to the following decisions (hereafter referenced as an '**Mannix College Appeal**'):
- a) Minor Breach Procedure;
 - b) General Breach Procedure; and/or
 - c) Serious Breach Procedure.
- 7.2. The Mannix College Appeal will be conducted by:
- a) the Principal, for decisions made by any other decision maker; or
 - b) the Chair of Mannix College Council or their nominated representative, where the decision under appeal is a decision of the Principal
- (hereafter referenced as the '**Mannix College Appeal Officer**').
- 7.3. To apply for a Mannix College Appeal, a Resident must submit a written request to the Mannix College Appeal Officer, stating:
- a) the decision, which the Resident requests to be appealed; and
 - b) the reasons for the request.
- 7.4. Unless there are exceptional circumstances (as determined by the Mannix College Appeal Officer in their absolute discretion), the request must be received by the Mannix College Appeal Officer within three (3) consecutive days (including weekends) after the Resident receives written notification of the decision.
- 7.5. An application for a Mannix College Appeal may only be submitted on one or more of the following grounds:

- a) actual bias or a reasonable apprehension of bias on the part of the Principal or other decision maker;
- b) the sanction imposed by the Principal or other decision maker is excessive;
- c) new evidence exists that was not reasonably available to the Resident during the investigation which had the potential to affect the decision;
- d) a breach of the rules of natural justice which had potential to affect the outcome of the investigation or decision; or
- e) the decision is manifestly wrong.

7.6. Where a Resident has submitted their application for an Mannix College Appeal to the Mannix College Appeal Officer in accordance with section 7 for an appeal on a ground set out in section 7, the sanction or eviction is suspended until the Mannix College Appeal Officer concludes the appeal. During the suspension, safety directions imposed under section 5 may resume in order to properly manage the welfare of Residents and the wider community until the appeal has concluded. If the Resident holds an Mannix College scholarship and/or Student Leadership Position, any suspension from their scholarship and/or Student Leadership Position may continue pending the outcome of the appeal, at the discretion of the Principal.

Appeal process (for findings and sanctions other than eviction)

- 7.7. The Mannix College Appeal Officer will consider the appeal application and whether it satisfies the grounds for appeal under section 7. If the appeal application does not satisfy the grounds for appeal, the Mannix College Appeal Officer will dismiss the appeal application. If the appeal application satisfies the grounds for appeal, the Mannix College Appeal Officer may affirm the original decision or set aside the original decision and substitute it with their own decision.
- 7.8. The Mannix College Appeal Officer will provide their decision in writing to the Resident.

Appeal process (for decision to evict)

- 7.9. The Mannix College Appeal Officer will appoint a panel to consider and determine the appeal, with a panel that may comprise:
 - a) The Mannix College Appeal Officer or nominee (who will chair the panel).
 - b) A member of Mannix College Council.
 - c) The Principal or their nominee.
 - d) A representative of Monash University.
 - e) A Resident who has no close personal relationship with the Resident who has lodged the appeal; and
 - i) If the Mannix College Appeal Officer determines that the inclusion of another student on the appeal panel is for any reason inappropriate, they

may choose to appoint another person as appropriate to the panel in place of a Resident.

- 7.10. The Resident must not remain in Mannix College while the panel considers the appeal request. Alternative accommodation may be arranged by Mannix College for this period and if so, the Resident will be responsible for the cost of this accommodation.
- 7.11. The panel may decide the appeal request based on the documents submitted to it by the Resident and the Principal and any other person with information that may assist the panel, or after convening a meeting of the panel at which the Principal and the Resident may attend. The panel meeting may be rescheduled once at the reasonable request of the Resident, provided that the request is received by the Mannix College Appeal Officer at least three days prior to the original scheduled date. If the Resident fails to attend the meeting, the appeal request may be determined in the Resident's absence.
- 7.12. If there is a meeting of the panel which the Resident attends, the Resident may be accompanied by a support person. In choosing a support person, the Resident must consider any potential conflict of interest. For example, a Resident Advisor, a witness to any incident concerning a Breach, or another Resident involved in the incident must not act as a support person.
- 7.13. Once the panel has considered the appeal request, it may either:
 - a) confirm the decision to evict the Resident with no further right of appeal;
 - b) set aside the notice to vacate and impose an alternate sanction; or
 - c) set aside the notice to vacate with no further action.
- 7.14. The chair of the panel will provide its decision on the appeal request in writing to the Principal, and the Resident.
- 7.15. Until a decision is made under Section 7.13, the Principal may review and vary the original decision (including sanctions) concerning a breach.
