

## Resident Application - Reference from your school

Mannix College is the only residential college affiliated with Monash University.

Students who live at Mannix become part of a vibrant community where they will live with others from diverse backgrounds, nationalities and beliefs and make long-lasting friendships.

Students are selected based on academic merit, willingness to commit to their studies, and potential to contribute to college life.

Your reference will help us to understand the applicant's suitability for College life.

Thank you.
