# WELCOME

Welcome to Mannix College.

With your help, Mannix is a welcoming, safe, and vibrant community where you can make friends, build confidence, and make the most of university life. This is more than just a place to live, it is a place to belong.

From day one, you will be surrounded by people who want to get involved, try new things, and support each other. Mannix offers a wide range of social events, sporting teams, service opportunities, leadership roles, and cultural activities.

Mannix is what you make it. Our culture is shaped every day by how we treat one another. Each resident plays a role in creating a community where people feel welcome, safe, respected, and included. Looking out for one another, speaking up when something is not right, and choosing kindness all matter.

Living at Mannix is about connection. You will meet people from different backgrounds, form lifelong friendships, and grow in confidence, independence, and resilience along the way.

Your wellbeing matters to us. You will have access to trained pastoral care staff, Residential Advisors, nutritious meals, study spaces, an onsite gym, quiet reflective spaces, and an in-house counsellor, all designed to support you to live well and succeed.

I live on site and would love you to come and say hello anytime. My office door is always open, so please feel free to pop in for a chat. You may also see me around College with my wife Sophie, our son Theo (6), our daughter Charlie (4), and our daughter Maggie (1). You might also meet our cocker spaniel, Bowie. And if you see us in the dining hall having dinner, you are always welcome to join us.

What you put into Mannix is what you will get out of it. Get involved, back yourself, and help make Mannix a place where everyone belongs. We are excited to welcome you to the community.

Andrew Swan  
Principal

## YOUR OBLIGATIONS

It is your responsibility to know and comply with the Conditions of Residency and all College policies. Ignorance of a rule is not an excuse for breaching it. Mannix College assumes that every resident has carefully read and understood the College Handbook, Residency Agreement, Conditions of Residency, and other College policies. By living at the College, you agree to meet the expectations and standards set out in these documents. Failure to read or understand these materials does not remove your obligations or responsibility to comply with them.

## RESPECT

Mannix College is committed to being a vibrant living and learning community. Respectful relationships underpin **our core values of excellence, respect, community, resilience and integrity**. Every member of the College should always feel comfortable, safe and able to fully participate in all the community has to offer.

The College does not tolerate any form of harassment, bullying, hazing, sexual misconduct or discrimination. If you experience or witness any of these please make a report to the College.

## PASTORAL CARE & ACADEMIC ASSISTANCE

Seek help early for personal, health, or academic concerns. Contact your RA, Dean of Students or Residential Support Officers.

If noise can be clearly heard outside a Resident's room, it is too loud. There is to be complete quiet throughout the residential corridors from 11pm onwards. Residents wishing to socialise at the College beyond this time will be expected to move to the Junior Common Room.

## COMMUNITY STANDARDS

---

Knowing the rules is your responsibility. Being unaware of the Conditions of Residency is not an excuse. These conditions set out both your rights and responsibilities as a member of the Mannix community.

You have the right to a safe living environment. Mannix College is everyone's home, and you and your guests are expected to behave in a reasonable, respectful, and lawful way at all times. Abusive behaviour, including harassment, hazing, intimidation, or bullying, will not be tolerated.

By living at Mannix, residents agree to comply with the Conditions of Residency, which cover community life, wellbeing, safety, alcohol, guests, prohibited items, and misconduct and appeal processes.

Mannix responds to concerns and breaches using a trauma-informed, fair, and educational approach, prioritising safety, dignity, and wellbeing while upholding community standards.

Where standards are not met, responses may include verbal or written warnings, education or restorative actions, community service, fines, suspension, or, in very serious cases, termination of residency and eviction. Repeated behaviour or failure to change conduct after being warned is treated seriously.

Behaviour that also breaches Monash University rules may be referred to the University and can result in separate disciplinary action.

The standard you walk past is the standard you accept. Residential Advisors are in place to support residents and help maintain a safe and respectful community.

## COLLEGE CULTURE

---

### PEER SUPPORT

---

Mannix students never have to go it alone. Peer support is an ingrained part of the College where students and student leaders assist and support each other to succeed academically and personally. The shield of Sir John Monash, used by the University named after him, shows the inverted chevron, the Southern Cross, the open book and sword in pale blue surrounded by a crown of laurel. The black and white border is drawn from the shield of the Dominican Order.

## GOSSIP & RUMOURS

---

In a large community like Mannix, gossip and rumours can cause significant harm to individuals and the community.

- **No Innocent Bystanders:**  
Hearing and reacting to hurtful rumours, without stopping them, makes you partly responsible.
- **What to Do When You Hear a Rumour:**
  - **Question the source.** If the information seems unclear or invalid, don't pass it on.
  - **Set boundaries.** Let others know you won't engage in or spread hurtful gossip.
- **Even If It's True:**  
If the information seems valid, don't share it. Discuss concerns with a trusted friend or notify an RA or Dean to minimise harm.

Choose kindness and respect to foster a supportive community.

## HOUSEKEEPING

---

The College Cleaners work Monday to Friday, 8:00 am to 4:00 pm, to maintain the cleanliness of bathrooms, common rooms, and corridors. Student rooms are vacuumed weekly according to a cleaning schedule displayed at the end of each corridor.

### Guidelines for Room Cleaning:

- **Tidy Rooms:** Rooms should be kept tidy to facilitate cleaning.
- **Access Requirements:** Rooms must be made available for cleaning at least once every fortnight as per the College's health and safety requirements.
- **Unclean Rooms:** If a room is too untidy to be cleaned, cleaners will document the condition with a photograph for reporting purposes. Consistently poor cleanliness will be reported to the Dean of Students & Wellbeing and may lead to disciplinary action.

### Support for Residents:

If you feel overwhelmed by the state of your room or face health challenges that make it difficult to maintain cleanliness, please reach out to the **Dean of Students**. They can provide support and help you develop strategies to manage these challenges.

### Feedback:

If the cleanliness of the College does not meet your expectations, please inform the College so that we can address the issue promptly.

By working together, we can ensure a clean and comfortable environment for all residents.

---

### First Aid Support:

- Inform your **Resident Advisor (RA)** immediately if you or another resident experiences a serious illness or injury.
- In emergencies, the RA will notify the Chief Warden (Principal, Dean, or Community Engagement Coordinator).

### Ambulance and Medical Costs:

- For injuries requiring more than basic first aid, an ambulance will be called.
- Ambulance services charge the patient directly.

- Residents are strongly encouraged to have **Victorian Ambulance Service Subscription** to avoid high fees.
- The College does not cover ambulance or medical expenses.

- The College may contact your emergency contact if deemed necessary.

## INSURANCE

---

Mannix provides limited content insurance for student possessions. This covers damage caused by fire, flooding, or theft as a result of a break and enter. In all cases there is a general excess of \$1000 per claim. If rooms are unlocked, there cannot be a break and enter claim.

The College strongly recommends that each resident takes out their own insurance for personal effects, including computers and vehicles.

## INTRUDERS

---

Unwelcome intruders can pose risks such as theft, vandalism, or personal security threats. We all play a role in keeping the College safe.

- **Only allow entry to people you know.**
- If you see someone unfamiliar, offer assistance and assess their intentions.
- If unsure about someone, report it immediately to the Office or Duty Phone.
- Do not put yourself at risk.
- Stay alert to anyone who seems out of place and trust your instincts—it's better to be cautious than risk theft or harm.

Prompt action helps protect everyone.

## LAUNDRY

---

The student laundry is next to the gym and includes washing machines, dryers, ironing boards, and a change machine. Each wash or dry cycle costs \$1.

#### Laundry Tips:

- Use **front-loading detergent only**. Top-loading detergent damages machines.
- Use **one cup of concentrated soap** per load. Too much soap causes over-sudsing and machine shutdowns.
- **Don't overload** the machines. If you're forcing clothes in, it's too full.
- Remove laundry **promptly** after each cycle to free up machines.
- Check pockets for items like pens or tissues to avoid damage or clogs.
- **Clean the lint filter** in dryers before each use. It's next to the dryer door.
- Dryers run for about **45 minutes**—enough to dry most clothes.
- Keep the laundry area **tidy** and avoid interrupting machines mid-cycle.
- Use the clothesline in **Hoovers Lane** for drying laundry; do not hang items outside windows.

The College is not responsible for items left in the laundry or on the clothesline.

## LOCK OUTS

---

If you lock yourself out of your room:

- **During Office Hours:**  
Visit the Front Office to borrow a spare fob. Open your door and return the fob immediately. Do not contact Resident Advisors during these hours.

Call the Duty Phone for assistance.
- **Repeated lockouts** will involve a conversation with the Dean

## LOST PROPERTY

---

- **Your Responsibility:** Residents are responsible for their personal belongings. Mannix College is not liable for lost or stolen items.
- **Lost and Found:**
  - Common items (e.g., clothing, books) left in shared spaces will be placed in the **Lost Property Box** in the Enclosed Walkway.
  - If you find an item, try to locate the owner first. If unclaimed, place it in the box.
  - If you've lost something, check the box.
- **High-Value Items:**
  - Items like laptops, phones, or jewellery should be handed to the Admin team.
  - Missing something valuable? Check with Admin.

Noise that is disruptive to others is prohibited both inside and outside of the College, including the courtyard and surrounding areas.

## INCIDENTS/ISSUES/CONCERNS - HOW TO SHARE AND GET SUPPORT

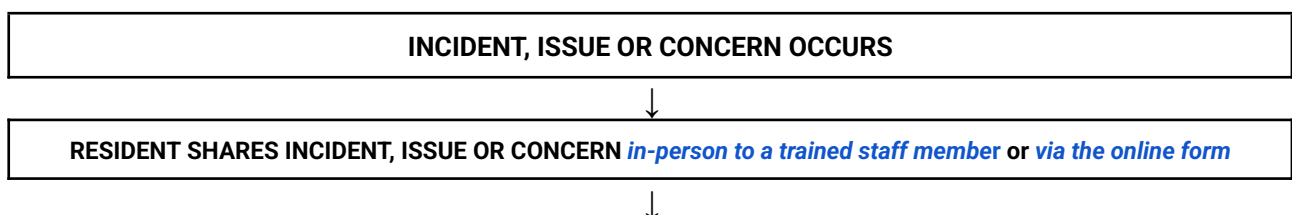

---

Mannix College is committed to preventing and eliminating gender-based violence and sexual harm, and to providing a safe, respectful and inclusive environment for all residents of our community. Gender-based violence includes sexual assault, sexual harassment, family violence, stalking, technology-facilitated abuse, harassment and other forms of violence.

**Any form of gender-based violence, sexual harm, discrimination, hazing and/or bullying will not be tolerated at Mannix College.** Each Mannixian should feel empowered and safe in their home away from home. Mannix College encourages a safe and supportive environment where all residents feel empowered to seek help or report an incident, issues or concern. If you experience or witness behaviour that is unlawful, breaches College policies, or is unacceptable within our community, we encourage you to **disclose** or **report** the incident. Residents can choose **how and where** to share a concern. You may speak with:

- a **staff member** or a **student leader** trained in responding to disclosures at Mannix
- via our online form
- the University (for example the Monash Safer Community Unit)
- an external service (for example Victoria Police)

When you seek support from the College, you can choose to either **disclose** or **report** the incident, issue or concern. These options and what can happen next is summarised below.
