PART 1 – INTRODUCTION AND HOW THIS WORKS

Mannix College is a residential living and learning community established by the Catholic Archdiocese of Melbourne. The College exists to support the intellectual, personal, and ethical formation of students and to foster a community committed to the common good.

Mannix seeks to provide a safe, welcoming, and inclusive environment that values intellectual enquiry, personal wellbeing, respectful relationships, integrity, service, ecological sustainability, and the best traditions of the College, alongside a progressive and outward-looking approach to residential life.

These values guide how we live together. All members of the Mannix community share responsibility for maintaining a community that is safe, respectful, and vibrant.

Mannix College requires all Residents to contribute to a safe and supportive community culture. By entering into a Residency Contract, Residents agree to all of the following:

Community Standards and Compliance

- 2.4. Complete all mandatory residential induction training requirements, including: Orientation and induction programs at the commencement of residency, and at such other times during the residency required by Mannix College.

Ball Activities

- 2.5. Ball games and sports are not permitted in the courtyard unless they are part of an approved event. Low-impact games like spike ball and small casual activities are fine. Higher-impact sports, including volleyball and the kicking or striking of soccer balls, footballs or similar, are not allowed because they pose a risk to windows, gardens and shared spaces. The astro turf area is available for these sports.
- 2.6. Bouncing or kicking balls inside College buildings is not permitted. This includes residential hallways, common rooms and any indoor or undercover areas. These activities create a real risk of hitting fire equipment and causing damage.

Noise

- 2.7. Noise is one of the most common challenges in shared living, so everyone is responsible for keeping sound at a reasonable level and helping maintain a comfortable, restful environment for the whole community.
 - a) Residential wings, bedrooms and hallways are quiet spaces for rest and comfort. **If noise can be heard outside your Resident Accommodation with the door closed, or if it reasonably affects even one reasonable person, it is too loud.** A gentle “quiet hum” is fine, but disruptive noise is not.

- b) Loud socialising should happen in the JCR and other communal spaces away from bedrooms.
- c) If someone is being noisy, you are encouraged to politely and respectfully ask them to reduce their noise. If you do not feel comfortable doing this, you can call the Duty Phone.
- d) **From 11.00pm to 8.00am, all residential areas and surrounding spaces must remain quiet. After 11.00pm, louder socialising should move to the JCR or Games Room, which are located further from bedrooms.**
- e) To help everyone study, Absolute Quiet Time (AQT) operates during SWOTVAC and exams. During AQT, almost the entire College is quiet, except for designated social spaces such as the common rooms or the Dining Hall. AQT rules are strict. If you disrupt others, you may be asked to leave the College for the remainder of the period.

Appropriate Dress

- 2.8. Mannix College is a body-positive community that values inclusivity and individuality, but residents must dress appropriately in all communal spaces, such as bathrooms, common rooms, the gym, courtyards, sports courts, and the dining hall, to ensure comfort and respect for everyone.
- 2.9. Shirts must be worn at all times, including at functions and events.
- 2.10. Shoes must be worn at all times in the Dining Hall
- 2.11. Pyjamas and slippers aren't permitted in the Dining Hall. Ugg boots are acceptable.

- 2.15. Your room will be cleaned by the housekeeping service once per week to maintain hygiene, safety, and consistent standards across the College. You may occasionally opt out of a scheduled clean; however, you may not opt out two weeks in a row, and you may not opt out more than four times in a single semester. These limits are in place to ensure a minimum standard of cleanliness and to prevent the build-up of waste, odours, or pests.
- 2.16. Help keep all communal areas at Mannix College clean and tidy. Do not leave or store personal belongings in shared spaces such as common rooms, courtyards, gardens, the gym, or music rooms. Any items left unattended may be removed and disposed of by the College.

- 2.21. Not install or use additional lighting in their accommodation, other than small, low-intensity bedside or desk lamps. This includes, but is not limited to, LED strip lighting, rope lights, mounted light fixtures, or any other installed, affixed, or decorative lighting that alters the room or creates safety, fire, or maintenance risks.
- 2.22. Clothing and personal items must only be left in designated drying racks or pigeon holes. Residents may remove items left in laundry equipment after a completed cycle but should place them appropriately and, where possible, inform the previous user. Any items left in Mannix laundry spaces or common areas may be removed or disposed of by the College. Mannix accepts no liability for items left unattended.
- 2.23. Balconies and windows must be kept neat, tidy, and clear of hanging or attached items. Residents must not hang clothing, sheets, towels, banners, flags, or other items from balconies or windows. Minor balcony furniture may be permitted with prior approval from the College, provided it does not create safety, maintenance, or OH&S risks. Residents must not attach or affix any items to College brickwork, balcony surfaces, or external structures. The College may require the removal of any balcony furniture or items at any time

Furniture

PART 3. RESIDENT BEHAVIOUR

1. Residential Community Standards

- 1.1. Mannix College is committed to preventing and responding to gender-based violence, sexual harm, discrimination, harassment, bullying and other behaviours that undermine safety, dignity and wellbeing.
- 1.2. We aim to provide a residential environment in which all members of the Mannix community feel safe, respected and supported. Mannix College will respond to all disclosures and allegations of gender-based violence and related misconduct in a trauma-informed, person-centred and safety-focused manner, consistent with the [National Higher Education Code to Prevent and Respond to Gender-Based Violence \(the Code\)](#), and relevant Mannix College and Monash University policies.
- 1.3. Any alleged or suspected breach of the Residential Community Standards by a **Respondent** (an **Allegation**) may be dealt with under this Part.
- 1.4. Where multiple Allegations arise from the same incident or involve the same **Respondent**, the Principal may determine that all Allegations be managed under the same category.
- 1.5. This Part sets out:
 - a. the process for disclosing or reporting an incident;
 - b. the process for assessing, managing and investigating an Allegation;
 - c. the process for determining whether an Allegation is substantiated and imposing sanctions; and
 - d. the rights and responsibilities of Residents during these processes.

2. Disclosing or Reporting an Incident

- 2.1. A **Discloser** may choose to make a **Disclosure** or a **Formal Report** about a breach of these Conditions of Residency, an incident or other concern. Individuals may also choose how much identifying information they share. A person's choice may change over time.
- 2.2. **Disclosures** and **Formal Reports** may be made in one of the following ways:
 - a. **Fully identified** - The person shares their name and contact details. This allows the College to offer ongoing support and, if requested or required, investigate and take formal action.
 - b. **De-identified** - Identifying details are limited or removed. This allows the College to understand what occurred and manage risk, but may limit follow-up, investigation or outcomes.
 - c. **Anonymous** - No identifying information is provided. This allows information to be shared without identification, but significantly limits the College's ability to investigate, take action or provide ongoing support.
- 2.3. **Disclosure (support-first option)**

- a. A **Disclosure** occurs when a **Discloser** chooses to share information with Mannix College about an incident without requesting a formal investigation or disciplinary process.
- b. Where a **Disclosure** is made:
 - i. The primary response must be supportive, trauma-informed and person-centred;
 - ii. the **Discloser** must be provided with information about support services and reporting options;
 - iii. A **Disclosure** does not, of itself, initiate a breach procedure or investigation.
- c. In limited circumstances, the College may take action following a **Disclosure** to meet legal obligations or where there is a serious and ongoing risk to safety of the Discloser or other members of the Mannix community. Where safe and appropriate, this will be discussed with the **Discloser**.
- d. Information relating to **Disclosures** may be recorded in a de-identified form for safety, monitoring and compliance purposes.

2.4. Formal Report (request for action)

- a. A **Formal Report** is a request for the College to take formal action in relation to alleged conduct by a **Respondent**.
- b. Where a Formal Report is made:
 - i. The College will undertake a risk assessment;
 - ii. Interim safety measures may be implemented
 - iii. The matter may be investigated with potential outcomes or sanctions to be imposed under the breach procedures set out in these Conditions.
 - iv. The College will take reasonable steps to keep the Discloser informed about:
 - (a) whether the matter is being assessed or investigated;
 - (b) whether interim safety measures have been implemented; and
 - (c) when the investigation has concluded.

Information shared with a Discloser will be limited to what is appropriate and lawful, having regard to privacy, procedural fairness and safety considerations.

- c. Formal Reports may be made on a fully identified, de-identified or anonymous basis. Fully identified reports generally enable the College to respond more fully and effectively.
- d. The College may proceed with a breach procedure even where the **Discloser** chooses not to participate, where necessary to manage risk, protect the residential community or meet legal obligations.
- e. A person may choose to make a Formal Report at any time, including after first making a disclosure.

2.5. Who disclosures or reports may be made to

- a. Disclosures or Formal Reports may be made to:

 - iii. The College's online reporting form
 - iv. External bodies, including [Monash University Safer Community Unit](#) or Police

Where a disclosure or Formal Report relates to conduct occurring within Mannix College accommodation or at a Mannix College activity or event, the person impacted may elect for Mannix College or Monash University to take the lead in responding to the matter, subject to jurisdiction, safety considerations and legal obligations.
 - vi. Where Mannix College takes the lead, it will coordinate with Monash University as appropriate. Where Monash University takes the lead, Mannix College will cooperate and share information as required to manage risk and support safety.
 - vii. All Mannix staff and student leaders are required to notify the Principal if they become aware of a disclosure or report of gender-based violence or sexual harm. Where possible, and consistent with safety and legal obligations, information may be shared in a de-identified or anonymous way, in line with the wishes of the person affected.

3. Timely Risk Assessment & Support Planning

- 3.1. Upon becoming aware of a **Disclosure** or **Formal Report** of gender-based violence or sexual harm, or other serious concern, the Principal (or nominee) must undertake a risk assessment as soon as practicable and ordinarily within 48 hours.
- 3.2. Where the College seeks information from a Discloser for the purposes of risk assessment or investigation, the Discloser:
 - (a) is not required to participate;
 - (b) may be accompanied by a support person; and
 - (c) will be informed about how their information may be used.
- 3.3. The risk assessment must consider:
 - (a) the safety and wellbeing of the person(s) impacted;
 - (b) the safety and wellbeing of the respondent(s);
 - (c) the safety of the wider Mannix College residential community; and
 - (d) any relevant contextual factors, including patterns of behaviour, power imbalance or vulnerability.

- 3.4. Where appropriate, the College will develop and implement safety and support plans for the person(s) impacted and the respondent(s), having regard to their wishes and needs.
- 3.5. Risk assessments and support plans must be reviewed and updated as circumstances change or further information becomes available.

4. Managing Allegations

- 4.1. The procedure for investigating and resolving an Allegation depends on the nature and type of alleged conduct:

Category 3 Allegations	Category 2 Allegations	Category 1 Allegations
managed under the Minor Breach Procedure	managed under the General Breach Procedure	managed under the Serious Breach Procedure

- 4.2. The Principal is responsible for determining the categorisation of an Allegation/s. This determination is made based on the known or suspected circumstances, and having regard to any information or evidence that is available at the time the matter is notified to the Principal. The Principal may choose to consult with other areas of the University in making a category determination.
- 4.3. Where an incident or matter involves multiple Allegations against a Resident – the Principal may determine that all Allegations should be dealt with under the same categorisation.
- 4.4. Where a Disclosure or Formal Report is made on a de-identified or anonymous basis, the College’s ability to investigate, make findings or impose sanctions may be limited. This does not limit the College’s ability to assess risk or implement safety measures.

Hazing may be presented as tradition, humour, bonding, challenge, or “just a bit of fun.” This does not make it acceptable. Hazing includes conduct that may appear minor or harmless where it singles out individuals, pressures them to comply in order to belong, or causes, or is reasonably likely to cause, humiliation, discomfort, embarrassment, abuse, or physical, emotional, or psychological harm. Harm does not need to be intended or severe for behaviour to constitute hazing.

Additionally, the following allegation/s may also be determined to fall within Category 1:

- (a) a Category 2 Allegation that is particularly serious in nature; or
- (b) repeated instance/s of Category 2 Allegations.

6. Safety Measures

- 6.1. Safety measures may be implemented to protect the safety and wellbeing of a **Discloser**, a **Respondent**, or the wider residential community.
- 6.2. Following a disclosure, report or notification of Category 1 or Category 2 allegations, the Principal may implement interim safety measures to minimise harm, manage risk and protect the welfare of individuals and the residential community.

 - f) may include directions that restrict the interpersonal interactions of any Resident/s whilst on Monash University property, or whilst engaging in activities associated with Monash University.
- 6.4. The Principal may consult with the Safer Community Unit and/or other relevant parties (eg. Monash Security) in developing safety measures.
- 6.5. A Resident who is the subject of a Category 1 or 2 Allegation and who holds a Student Leadership Position may, at the discretion of the Principal, be suspended from their Student Leadership Position (and associated payments, scholarships or duties) until such time as the allegations have been resolved (including the finalisation of any appeal process).

- 6.6. For the avoidance of any doubt, this section overrides any other provision in the Residential Community Standards.

6. Breach Procedure

- 6.1. Upon receiving a Disclosure or Report of alleged conduct, the Principal or their nominee may undertake preliminary enquiries in order to understand the nature and seriousness of the matter and determine the appropriate breach procedure to apply.
 - 6.1.1. These enquiries are limited and fact-finding in nature. Their purpose is to develop a clearer understanding of the circumstances described in the report, including any relevant facts, available information, potential evidence, and the experiences of those involved.
 - 6.1.2. Conducting these enquiries allows the College to assess the nature of the allegation and determine the most appropriate pathway for responding under these procedures, including whether the matter should proceed under the Minor Breach Procedure (Category 3), General Breach Procedure (Category 2), or Serious Breach Procedure (Category 1), and who is best placed to undertake any investigation.

Minor Breach Procedure (for Category 3 Allegations)

- 6.2. The Principal delegates authority to the Dean to address Category 3 Allegations.
- 6.3. Where the Dean determines that an Allegation falls within Category 3, it may be managed informally under this Minor Breach Procedure.
- 6.4. The Dean may:
 - 6.4.1. make brief inquiries as appropriate;
 - 6.4.2. speak directly with the Resident;
 - 6.4.3. ask the resident to provide a written or verbal response;
 - 6.4.4. resolve the matter in a way that is proportionate to the minor nature of the issue.
- 6.5. The Resident must be informed of the concern and given a reasonable opportunity to respond. This will ordinarily occur through a brief conversation with the Dean.
- 6.6. If the Dean is satisfied that a minor breach has occurred, the Dean may respond by:
 - 6.6.1. giving an informal verbal warning or reminder of expected standards;
 - 6.6.2. providing guidance or education about appropriate behaviour;
 - 6.6.3. issuing a formal warning; and/or
 - 6.6.4. issuing a minor sanction where appropriate (such as fine, loss or restriction of privileges, service to the Mannix community).
- 6.7. Most Category 3 matters are expected to be resolved through a verbal warning and/or informal intervention, with follow-up email confirmation from the Dean to the Resident.

- 6.8. Where a matter is not minor, is repeated, or forms part of broader concerns, the Dean will inform the Principal who may determine that it be managed under the Category 2 or Category 1 procedures instead.

General Breach Procedure (for Category 2 Allegations)

- 6.9. Where the Principal determines that the allegation/s fall within Category 2, the Allegation/s should be dealt with under the General breach procedure.
- 6.10. The Principal may determine that Category 2 Allegations should instead be dealt with under the Serious breach procedure (Category 1) where:
- a) the Category 2 Allegation/s are particularly serious or complex in nature; or
 - b) there are repeated instance/s of Category 2 Allegations that occur following a formal warning.
- 6.11. The Principal at their discretion may determine that the Allegation/s should be managed by the Dean, or may retain responsibility for managing and determining the allegations themselves.
- 6.12. The Principal may decide to refer the investigation of the Allegations to designated person/s within:
- a) Mannix College, such as the Dean; or
 - b) Monash Security Services; or
 - c) Safer Community Unit; or
 - d) any other person/s nominated by the Principal to conduct the investigation (hereafter referenced as the '**Nominated Investigator**').

The role of the Nominated Investigator is to make inquiries and obtain evidence and material relevant to the investigation of the Allegations. Where a Nominated Investigator is appointed they may produce a report setting out findings and recommendations, but they do not make any decision as to whether a breach has occurred.

- 6.13. At an appropriate stage of the investigation of the Allegations, the Principal or the Nominated Investigator (as applicable) will advise the Respondent in writing:
- a) that an Allegation is being investigated;
 - b) of details of the Allegations against the Respondent (including where and when the conduct is alleged to have taken place and the role the Respondent is alleged to have played);
 - c) that the Respondent will be given an opportunity to respond to the Allegation in a meeting that will be held at a specified time and place;
 - d) that the Respondent may be accompanied at the meeting by another person who is there to support the Resident's wellbeing in the context of the meeting, subject to the requirements of section 6.11(c) below;

- e) that if the Respondent does not wish to attend the meeting they may choose to provide a written response to the Allegations;
- f) that if the Respondent fails to attend the scheduled meeting after being given a reasonable opportunity to do so, and fails to provide a written response within one business day of the date of the scheduled meeting, the Principal or the Nominated Investigator may decide the Allegation based on the material available to them;
- g) of a full copy of this section of the Mannix College Conditions of Residency, or instructions regarding how the Respondent can access the same.

6.14. At a meeting with the Principal or Nominated Investigator:

- a) The Principal or Nominated Investigator will state the Allegation(s) comprising the Breach, and provide an outline of the evidence;
- b) The Respondent will be given the opportunity to respond to the Allegation(s); and
- c) If the Respondent has brought a support person to the meeting:
 - (i) The role of the support person is to observe the meeting and provide support and guidance to the Respondent as requested;
 - (ii) The support person does not require advance approval. However, the Principal or Nominated Investigator may refuse permission for a particular person to attend as a support person where they reasonably believe the person is subject to an actual or potential conflict of interest.
 - (iii) The Principal or Nominated Investigator may nominate another staff member to also be present during the meeting.

6.15. Where a Respondent is found to have committed a breach of the Residential Community Standards for a Category 2 Allegation/s, the Principal may impose a sanction/s. The sanction/s that may be imposed include but are not limited to:

Restitution	Reimbursement for damage to, or misappropriation of, property.
Loss or restriction of privileges	Limitation or removal for a set period of time of social or personal privileges (eg, withdrawal of approval to bring, keep or consume alcohol on Mannix College premises)
Service to the Mannix College Community	Requirement to complete a certain project to give something back to the Mannix College community and learn something at the same time. Wherever possible, there should be a logical relationship between the breach and the community service assigned.
Formal written warning	A formal written warning will set out the breach and require no further breach of the Residential Community Standards to occur in the future.
Suspension	A Resident may be required to leave the College for a period of time as determined by the College. They are not allowed to return to the College during the suspension or attend authorised Mannix functions or events. Residents will continue to pay residential fees during their suspension period.

Referral to the University-wide discipline system	In circumstances where appropriate, Mannix may pass information from the investigation and incident to other relevant parties (including but not limited to the Safer Community Unit, Monash Security, or relevant faculty/s)
Combination of the Above	More than one sanction may be implemented..

6.16. In addition to the sanction/s set out above:

- a) where the Respondent previously received a formal written warning for a breach (of any category) – the Principal may evict the Respondent from Mannix College by issuing the Respondent with a written notice to vacate; and
- b) where a Respondent has received two formal warnings during any previous residency period for a breach (of any category) – the Respondent is ineligible to apply for future accommodation at Mannix College (unless the Principal decides to make an exception, based on special circumstances, at their absolute discretion).

6.17. A person who has been evicted under section 6.13 (including during a previous residency period) is ineligible to apply for future accommodation at Mannix College and must not attend or visit Mannix College premises or events for any reason.

6.18. A Respondent may appeal a finding and/or sanction under this section in accordance with section 7.

Serious Breach Procedure (for Category 1 Allegations)

6.19. Where the Principal determines that the Allegation/s fall within Category 1, the Allegation/s will be dealt with under the Serious breach procedure.

6.20. The Principal at their discretion may determine that the Allegation/s should be managed by the Dean, or may retain responsibility for managing and determining the allegations themselves.

6.21. The Principal may decide to refer the investigation of the Allegations to designated person/s within:

- a) Mannix College, such as the Dean; or
- b) Monash University Security Services; or
- c) Monash University Safer Community Unit; or
- d) any other person/s nominated by the Principal to conduct the investigation (hereafter referenced as the '**Nominated Investigator**').

The role of the Nominated Investigator is to make inquiries and obtain evidence and material relevant to the investigation of the Allegations. Where a Nominated Investigator is appointed they may produce a report setting out findings and recommendations, but they do not make any decision as to whether a breach has occurred.

6.22. At an appropriate stage of the investigation of the allegations, the Principal or the Nominated Investigator (as applicable) will advise the Respondent in writing:

- a) that an Allegation is being investigated;
- b) of details of the allegations against the Respondent (including where and when the conduct is alleged to have taken place and the role the Respondent is alleged to have played);
- c) that the Respondent will be given an opportunity to respond to the Allegation in a meeting that will be held at a specified time and place;
- d) that the Respondent may be accompanied at the meeting by another person who is there to support the Respondent's wellbeing in the context of the meeting, subject to the requirements of section 6.20(c) below;
- e) that if the Respondent does not wish to attend the meeting they may choose to provide a written response to the Allegations;
- f) that if the Respondent fails to attend the scheduled meeting after being given a reasonable opportunity to do so, and fails to provide a written response within one business day of the date of the scheduled meeting, the Principal or the Nominated Investigator may decide the Allegation based on the material available to them;
- g) of a full copy of this section of the Mannix College Conditions of Residency, or instructions regarding how the Respondent can access the same.

6.23. At a meeting with the Principal or the Nominated Investigator:

- a) The Principal or the Nominated Investigator will state the Allegation(s) comprising the Breach, and provide an outline of the evidence;
- b) The Respondent will be given the opportunity to respond to the Allegation(s); and
- c) If the Respondent has brought a support person to the meeting:
 - i) The role of the support person is to observe the meeting and provide support and guidance to the Respondent as requested;
 - ii) The support person does not require advance approval. However, the Principal or the Nominated Investigator may refuse permission for a particular person to attend as a support person where they reasonably believe the person is subject to an actual or potential conflict of interest. For the avoidance of doubt, a person will not be permitted to act as a support person if they are a Mannix College staff member, a Resident Advisor, a witness to the investigation of the allegation/s, or are otherwise involved in the incident to which the allegation/s relate; and
 - iii) The Principal or the Nominated Investigator may nominate another staff member to also be present during the meeting.

6.24. Where a Respondent is found to have committed a breach of the Residential Community Standards for a Category 1 Allegation/s, the Principal may impose a sanction/s. The sanction/s that may be imposed include but are not limited to:

- a) the sanctions that are available for a Category 2 breach; and/or

- b) eviction, in which case the Principal will issue the Respondent a written notice to vacate.
- 6.25. Where the Allegations fall within items (a) - (n) of Category 1, a presumption that the Respondent will be evicted applies. This presumption can be overridden at the absolute discretion of the Principal where there is compelling material to show that eviction would be an inappropriate outcome in the circumstances.
- 6.26. A person who has been evicted under section 6.21 (including during a previous residency period) is ineligible to apply for future accommodation at Mannix College and must not attend or visit any Mannix College premises or events for any reason.
- 6.27. A Respondent may appeal a finding and/or sanction imposed by the Principal under this section, in accordance with section 7.
- 6.28. For the avoidance of doubt, the standard of proof required to substantiate a breach of Category 1, 2 or 3 Allegations is “the balance of probabilities”.

7. Appeal

- 7.1. This section sets out a Respondent’s right of appeal in relation to the following decisions (hereafter referenced as an ‘**Mannix College Appeal**’):
- a) Minor Breach Procedure;
 - b) General Breach Procedure; and/or
 - c) Serious Breach Procedure.
- 7.2. The Mannix College Appeal will be conducted by:
- a) the Principal, for decisions made by any other decision maker; or
 - b) the Chair of Mannix College Council or his nominated representative, where the decision under appeal is a decision of the Principal
- (hereafter referenced as the ‘**Mannix College Appeal Officer**’).
- 7.3. To apply for a Mannix College Appeal, the Respondent must submit a written request to the Mannix College Appeal Officer, stating:
- a) the decision, which the Respondent requests to be appealed; and
 - b) the reasons for the request.
- 7.4. Unless there are exceptional circumstances (as determined by the Mannix College Appeal Officer in their absolute discretion), the request must be received by the Mannix College Appeal Officer within three (3) consecutive days (including weekends) after the Respondent receives written notification of the decision.
- 7.5. An application for a Mannix College Appeal may only be submitted on one or more of the following grounds:
- a) actual bias or a reasonable apprehension of bias on the part of the Principal or other decision maker;
 - b) the sanction imposed by the Principal or other decision maker is excessive;

- c) new evidence exists that was not reasonably available to the Respondent during the investigation which had the potential to affect the decision;
 - d) a breach of the rules of natural justice which had potential to affect the outcome of the investigation or decision; or
 - e) the decision is manifestly wrong.
- 7.6. Where a Respondent has submitted their application for an Mannix College Appeal to the Mannix College Appeal Officer in accordance with section 7 for an appeal on a ground set out in section 7, the sanction or eviction is suspended until the Mannix College Appeal Officer concludes the appeal. During the suspension, safety directions imposed under section 5 may resume in order to properly manage the welfare of other Residents and the wider community until the appeal has concluded. If the Respondent holds an Mannix College scholarship and/or Student Leadership Position, any suspension from their scholarship and/or Student Leadership Position may continue pending the outcome of the appeal, at the discretion of the Principal.

Appeal process (for findings and sanctions other than eviction)

- 7.7. The Mannix College Appeal Officer will consider the appeal application and whether it satisfies the grounds for appeal under section 7. If the appeal application does not satisfy the grounds for appeal, the Mannix College Appeal Officer will dismiss the appeal application. If the appeal application satisfies the grounds for appeal, the Mannix College Appeal Officer may affirm the original decision or set aside the original decision and substitute it with their own decision.
- 7.8. The Mannix College Appeal Officer will provide their decision in writing to the Respondent.

Appeal process (for decision to evict)

- 7.9. The Mannix College Appeal Officer will appoint a panel to consider and determine the appeal, with a panel that may comprise:
- a) The Mannix College Appeal Officer or nominee (who will chair the panel).
 - b) A member of Mannix College Council.
 - c) The Principal or their nominee.
 - d) A representative of Monash University.
 - e) A Resident who has no close personal relationship with the Respondent who has lodged the appeal; and
 - i) If the Mannix College Appeal Officer determines that the inclusion of another student on the appeal panel is for any reason inappropriate, they may choose to appoint another person as appropriate to the panel in place of a Resident.
- 7.10. The Respondent must not remain in Mannix College while the panel considers the appeal request. Alternative accommodation may be arranged by Mannix College for this period and if so, the Respondent will be responsible for the cost of this accommodation.

- 7.11. The panel may decide the appeal request based on the documents submitted to it by the Respondent and the Principal and any other person with information that may assist the panel, or after convening a meeting of the panel at which the Principal and the Respondent may attend. The panel meeting may be rescheduled once at the reasonable request of the Respondent, provided that the request is received by the Mannix College Appeal Officer at least three days prior to the original scheduled date. If the Respondent fails to attend the meeting, the appeal request may be determined in the Respondent's absence.
- 7.12. If there is a meeting of the panel which the Respondent attends, the Respondent may be accompanied by a support person. In choosing a support person, the Respondent should consider any potential conflict of interest. For example, a witness to any incident concerning a Breach, or another Resident involved in the incident must not act as a support person.
- 7.13. Once the panel has considered the appeal request, it may either:
 - a) confirm the decision to evict the Respondent with no further right of appeal;
 - b) set aside the notice to vacate and impose an alternate sanction; or
 - c) set aside the notice to vacate with no further action.
- 7.14. The chair of the panel will provide its decision on the appeal request in writing to the Principal, and the Respondent.
- 7.15. Until a decision is made under Section 7.13, the Principal may review and vary the original decision (including sanctions) concerning a breach.
